We invite and welcome your membership in the Sandwich Business Group as an **Associate Member!**

The Sandwich Business Group was originally founded in 2005 as a way to collaborate on affordable advertising and marketing with fellow business enterprises within the town. You, as an Associate Member, are invited to join and participate with our sixty plus Primary Members in marketing and educational opportunities.

Membership for 2020 is the time to join! We continue to be active, sponsoring a Shredding Event funded by the Alfred Quimby Fund and hosting our second annual House Tour which raised \$1,300 for the Sandwich Central 6th grade class trip to Washington, DC. These events help raise an awareness of the Business Group while supporting our community. In the past year we also pursued and obtained grant funding which enables us to place large advertisements in New Hampshire Magazine and local publications throughout the spring, summer, and fall – reaching approximately two million readers.

Your annual membership fee of \$75, due by January 1, 2020, as an Associate Member provides the following:

- Your business name and contact information listed on our website: DiscoverSandwich.com. We also have a Facebook site which member businesses are welcomed to post and share from! (facebook.com/sandwichbusinessgroup)
- Attendance at workshops sponsored by the SBG with guest speakers relevant to creating a viable and successful business.
- An exposure in the community through participation of the SBG in local events, either with members present or by sponsorship: Town Meeting, Document Shredding Event, House Tour, Sandwich Fair, Christmas in the Village.
- Ability to participate in other collaborative advertising with fellow businesses and opportunity for greater visibility on the Discover Sandwich website as a sponsor. The Alfred Quimby Fund graciously funded our 2019 advertising campaign, for which we are grateful.

The Sandwich Business Group is not just about networking with each other. It's about supporting and fostering the economic viability of our communities as our communities support us. Please contact a current member if you need more information. An application form is enclosed for your convenience.

We look forward to hearing from you!
